The online Continuing Professional Development (CPD) Service  
designed for Built Environment Professionals

Presented by: Tjaart Kruger

4 August 2022

Available via [www.cpd-ondemand.co.za](http://www.cpd-ondemand.co.za), e-CLOUD Construction<sup>®</sup> [www.e-cloud.co.za](http://www.e-cloud.co.za), and through the websites of participating Voluntary Associations operating under Professional Councils serving the Built Environment

# Overview of the Service

The CPD On-Demand Service utilises a unique online Training Platform called e-CORE

CPD On-Demand is designed to provide CPD training opportunities for all Built Environment Professionals to earn CPD Credits, irrespective of the nuances of the requirements of each Professional Council and each Voluntary Association. It is available for users, online 24/7.

The following Sections of the CPD On-Demand Service are currently available: All these use a common online platform, that enables the sharing of training material if it is applicable to more than one Profession.

## Architectural Profession

In conjunction with SA Institute of Architects

SOUTH AFRICAN  
INSTITUTE OF  
ARCHITECTS  
**SAIA**  
saarchitecture.co.za

## Engineering Consultants

In conjunction with Consulting Engineers SA

Consulting Engineers South Africa

## Construction Project Managers

In conjunction with the Association of Construction Project Managers

**ACPM**  
ASSOCIATION OF CONSTRUCTION  
PROJECT MANAGERS

## **Access for Students and other non-professionally Qualified**

Although designed primarily for individuals registered with their Professional Councils, CPD On-Demand is also open for students and others who just require the online training opportunity.

## **Study Aids**

The CPD On-Demand Service provides an easy to use on-line method of accessing 'Study Aids'. These 'Study Aids' enable individuals to earn CPD credits relative to their profession. 'Study Aids' are developed for each profession, however many 'Study Aids' are applicable across Professions.

The 'Study Aids' can be in the form of Videos, PowerPoints, Publications, Technical Papers, etc. They are purchased by personal credit card, EFT, or by use of Study Aid Vouchers. After viewing the 'Study Aid' the User is required to take and pass an online Quiz to earn Category 1 / A CPD Credits. This is not necessary however in the case of Category 3 / C Study Aids.

## **CPD Certificates**

Users of the Service are required to Register initially by entering their details. These details are used to compile a CPD Certificate when the Study Aid has been completed and is automatically produced by the system and can then be printed. Certificates are provided for both Category 1 / A and Category 3 / C Study Aids.

## **Personal Folders**

The CPD Certificates are all stored online in personal folders, together with a link to its Study Aid. Each purchased Study Aid can be reviewed again later, if required for revision purposes.

## User Benefits

- ▶ The Service is provided in conjunction with recognised industry organisations
- ▶ Convenient online access to CPD training material 24/7
- ▶ Greater choice of CPD training material ('Study Aids') from numerous sources
- ▶ Study Aids are targeted to your own profession, saving you time.
- ▶ Reduced cost of obtaining CPD Points / Credits
- ▶ CPD Certificates available immediately for printout and stored in your personal folder
- ▶ Previously purchased Study Aids are available to view again for future reference
- ▶ Access to the latest information on the technical application of manufacturers' products (Manufacturers Technical Datasheets)
- ▶ Category 1 / A and Category 3 / C Study Aids available
- ▶ Purchase of Study Aids via Credit / Debit Card, EFT or by Voucher
